HICKSONS

YOUR END-TO-END SOLUTION FOR OFF-THE-PLAN CONVEYANCING

SALES AGENTS

Sales agents have the ability to submit sales advices and identification directly into the portal. On submission, the sales advice is automatically assigned to the vendor for approval. In the portal, agents can also view the current status of their sales and view master contract documents for their developments.

DEVELOPERS/ VENDOR

Vendors can approve or reject sales advices in the portal. Approved sales advices are automatically assigned to Hicksons for contract preparation. Vendors can obtain live status updates and view copies of exchanged contracts and other documents. Extensive reporting options are also available.

CLIENT'S BANKS AND FINANCIERS

The Vendor's financer has the ability to view and verify master contract documents and exchanged contracts for each lot within a development.

They also have the ability to view upcoming settlement appointments and settlement figures. Extensive reporting options are also available.

PURCHASER'S SOLICITORS

Through the portal Purchasers' solicitors have the ability to book and manage settlement appointments for each matter they are acting on. Purchasers' solicitors can also obtain settlement figures and payment directions, all within minutes of making their booking for settlement.
